the Maharaja of Mysore, Muzrai Dept.

Sir,

With reference to your letter No.579/Muz.10-17-2 dated 4th September 1919 calling for report on the application of the devotees of Sri Mallikarjunaswamy temple at Basavangudi, Bangalore City, I have the honour to state as follows:--

2. This temple is situated in the raising ground to the south-west of Basavangudi and is the only Shiva temple serving the needs of that Extension. Some years ago it was an insignificant structure much neglected. But after the Extension came into being subscriptions were collected for the renovation of the building and improvement of services therein. The main building is in a way

completed though it still requires flooring with Cadapah or dressed slabs and a compound wall appears also to be an immediate necessity. The present structure is reported to have cost more than Rs.5,000/- of which Rs.1,000/- was contributed by Government. The petitioners now require an additional grant of Rs.1,000/- for completing the remaining work and if Government are agreeable to sanction any contribution for the purpose a detailed estimate will be prepared and submitted together with an undertaking from the devotee public to find the balance of the amount required.

3. Another contribution of Rs.250/- is requested for the installation of a few other deities in the temple which is required under the rules of the Smartha Puja. This is, however, a matter which may be left solely to the initiative of the public.

4. A recurring cash grant of Rs.20/- for the conduct of the services is also asked for. The institution has an inam land Survey No.11 of Sunkenahalli village measuring 2 acres 28 guntas dry which is now leased out for a rent of Rs.7/- per annum. The income is obviously negligable and the worship is carried on by means of regular and occasional contributions from the devotees. Some help from Government by way of a fixed cash grant as in the case of other temples newly erected in the Extensions is now prayed for. I would recommend that a grant of Rs.10/- a month may be sanctioned from State Funds or any other source at the disposal of Government. The temple is now under the management of a committee of gentlemen, but on the basis of its present income it falls within the category of Village Institutions and as such no formal appointment of Dharmadarsis seems to be allowed by the

rules. The management may however be continued with the Committee who may also look after the interest of the Ganapathi temple situated near by which has also a separate Inam of 2 acres and 17 guntas in Karisandra village which is leased out for a sum of Rs.9/- a year.

5. A separate reference No.2023/Muz.101-18-22 dated 27th January 1919 from your office has been received for the report on a petition requesting help towards the maintenance of the Ganapathi temple. For reasons similar to the above some help to this institution seems to be also necessary for Paditara and Neivedya. A monthly grant of Rs.5/- would enable this institution to be maintained properly.

6. Situated as these institutions are in one of the most picturesque and frequented localities of Bangalore and serving as they do the spiritual needs of such a large section of the public, I beg strongly to recommend that help to the extent recommended above may be vouchsafed to these institutions.

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Bangalore District.
